<b>Amount of PPG received per pupil</b>	<b>2016</b>	<b>£1320</b>
<b>Total amount of PPG received</b>	<b>2016-2017</b>	<b>£88,884</b>

### HOW IS PUPIL PREMIUM USED TO SUPPORT PUPILS AT OUR LADY'S RC PRIMARY SCHOOL?

*Pupil premium has enabled us to continue to provide high levels of additional support for our pupils including:*

- Funding for an additional Key Stage 2 teacher to reduce the number of pupils in the class in order to target pupils more effectively
- Funding for supply cover to release key stage leaders and teachers to use 'B Squared' to analyse and track the progress of children qualifying for pupil premium and identify children in need of early interventions
- Funding for additional teaching assistants to deliver interventions to support the progress of qualifying pupils. These include 1:1 and small group behaviour support, Therapeutic inclusion, Social Communication interventions for Key Stage 1 and 2, Motor Skills for Key Stage 1 and 2, Reading for Inference intervention for Key Stage 2, 1:1 reading support, 1:1 speech and language support, 'Mr Word' speech therapy programme and 'Little Leaders' group intervention to develop social/communication skills

- Funding for a Family Support Liaison Officer
- Funded provision of places at breakfast club to ensure pupils get a good start to each day
- Funding towards the provision of places in after school club and enrichment clubs to support families with qualifying pupils eg. Graffiti club, Drama, Tennis and Street Dance, Steel Pans etc
- Funding towards extra curricular sports provision at lunchtime to provide opportunities for pupils to actively engage and interact with others through sports activities and games
- Funding towards the Year 6 residential trip to PGL
- Funding for an additional part time teacher with ICT specialism to deliver a high quality computing curriculum

All our work through the pupil premium is aimed at closing gaps, accelerating progress and moving children towards and to at least age related expectations. The school will evaluate the impact of the intervention programmes each term as part of our pupil progress meetings. Evaluation will focus on academic gains and how pupils self confidence, attendance and learning behaviours have developed as a consequence of the different interventions

### Record of PPG spending by item/project

2015/2016

Item/Project	Cost	Objective	Intended Outcomes
1 x additional teachers appointed (1 x 3 mornings) to support smaller more focused groupings across KS2 in English and Maths	£15,000	For children to achieve the age related expectation at the end of KS2	Narrowing the gap of for pupil premium children across KS2
