1. INTRODUCTION

- 1.1 This policy has been developed to ensure that all adults in Our Lady's RC Primary School are working together to safeguard and promote the welfare of children and young people. This policy has been ratified by the Governing Body at its meeting in March 2017 and will be reviewed in March 2018. See appendix C for a summary of a 'good' safeguarding school.
- 1.2 This policy describes the management systems and arrangements in place to create and maintain a safe learning environment for all our children, young people and staff. It identifies actions that should be taken to redress any concerns about child safety and welfare including protecting pupils and staff from extremist views, vocal or active, which are opposed to fundamental British values. All opinions or behaviours which are contrary to these fundamental values and the ethos of the school will be vigorously challenged.
- 1.3 This policy describes the management systems and arrangements, in place and under review, to create and maintain a safe learning environment for all our children, young people and staff. It identifies actions that should be taken to address any concerns about child safety and welfare including protecting pupils and staff from extremist views, vocal or active, which are opposed to fundamental British values. All opinions or behaviours which are contrary to these fundamental values and the ethos of the school will be vigorously challenged.
- 1.4 The authorised members of staff- Designated Person (DP) Anna Ward and Carrie Hetherington, have the ultimate responsibility for safeguarding and promoting the welfare of children and young people. We regularly review and monitor the implementation of our policies and procedures.
- 1.5 Safeguarding and promoting the welfare of children and young people goes beyond implementing basic child protection procedures. It is an integral part of all activities and functions of Our Lady's RC Primary School. This policy complements and supports other relevant school and Local Safeguarding Board policies (Appendix A).
- 1.6 Under the Education Act 2002 schools/settings have a duty to safeguard and promote the welfare of their pupils and, in accordance with guidance set out in 'Working Together to Safeguard Children 2015', Our Lady's RC Primary School will work in partnership with other organisations where appropriate to identify any concerns about child welfare and take action to address them.

2. ETHOS

- 2.1 Our Lady's RC Primary School aims to create and maintain a safe learning environment where all children and adults feel safe, secure and valued and know they will be listened to and taken seriously. Our school is committed to the principles outlined in 'Working Together to Safeguard Children 2015' and implements policies,

practices and procedures which promote safeguarding and the emotional and physical well being of children, young people and staff.

- 2.2 The school is committed to supporting the delivery of effective early help using The Multi- Agency Levels of Need and Response Framework . The children have access to appropriate curriculum opportunities, including emotional health and well being, to support the development of the skills needed to help them stay safe and healthy, develop their self-esteem and understand the responsibilities of adult life, particularly in regard to child care and parenting skills.
- 2.3 Access to cross-curricular activities will provide opportunities to develop self-esteem and self-motivation and to help pupils respect the rights of other individuals and potentially vulnerable groups.
- 2.4 Our Lady's RC Primary School will exercise diligence and prevent any organisation or speaker from using the schools facilities to disseminate extremist views or radicalise pupils and staff.

3. THE CURRICULUM

- 3.1 All children have access to an appropriate curriculum, differentiated to meet their needs. This enables them to learn to develop the necessary skills to build self-esteem, respect others, defend those in need, resolve conflict without resorting to violence, question and challenge and to make informed choices in later life.
- 3.2 Access to cross-curricular activities will provide opportunities to develop self-esteem and self-motivation and to help pupils respect the rights of others, particularly those groups who may be considered a minority.
- 3.3 Children and young people are encouraged to express and discuss their ideas, thoughts and feelings through a variety of activities and have access to a range of cultural opportunities which promote the fundamental British values of tolerance, respect and empathy for others. There is access to a range of extra curricular activities, information and materials from a diversity of sources which not only promotes these values but supports the social, spiritual, moral well-being and physical and mental health of the pupils.
- 3.4 Personal Health and Social Education, Citizenship and Religious Knowledge lessons will provide opportunities for children and young people to discuss and debate a range of subjects including lifestyles, forced marriage, family patterns, religious beliefs and practices and human rights issues.
- 3.5 Our Lady's RC Primary School takes account of the latest advice and guidance provided to help address specific vulnerabilities and forms of exploitation eg CSE, Radicalisation and Extremism, Forced Marriage.
- 3.6 All pupils will know that there are adults in the school whom they can approach in confidence if they are in difficulty or feeling worried and that their concerns will be taken seriously and treated with respect.

4. ATTENDANCE & EXCLUSIONS

- 4.1 Our Lady's RC Primary School views attendance as a safeguarding issue and in accordance with the school's Attendance Policy, absences are rigorously pursued and recorded. The school/setting, in partnership with the appropriate agencies, takes action to pursue and address all unauthorised absences in order to safeguard the welfare of children and young people in its care.
- 4.2 The Attendance Policy identifies how individual cases are managed and how we work proactively with parents/carers to ensure that they understand why attendance is important. In certain cases this may form part of an Early Help Assessment (EHA) or a Parenting Contract.
- 4.3 We implement the statutory requirements in terms of monitoring and reporting children missing education (CME) and off-rolling and understand how important this practice is in safeguarding children and young people.
- 4.4 The designated person will be informed when a fixed term or permanent exclusion is being discussed and any safeguarding issues will be considered. Where it is felt that a child or young person is likely to be permanently excluded a multi-agency assessment will be instigated to ensure that there is improved understanding of the needs of the young person and their family and that the key agencies are involved.

5. KEEPING RECORDS

- 5.1 Our Lady's RC Primary School will keep and maintain up to date information on children on the school roll including where and with whom the child is living, attainment, attendance, referrals to and support from other agencies. The school record will also include a chronology of any other significant event in a child's life.

 - Agree with this person what action should be taken, by whom and when it will be reviewed
 - Record the concern using the school's safeguarding recording system - CPOMs

12. INFORMING PARENTS/CARERS

- a) Our approach to working with parents/carers is one of transparency and honesty and our responsibility is to safeguard and promote the welfare of all the children in our care. We aim to do this in partnership with our parents/carers. In most cases parents and carers will be informed when concerns are raised about the safety and welfare of their child. Parents and carers should be given the opportunity to address any concerns raised.
- b) Parents and carers will be informed if a referral is to be made to the Children's Social Care Service or any other agency.
- c) Parents/carers will not be informed if it is believed that by doing so would put the child at risk. In such cases the Designated Person or Headteacher will seek advice from Children's Social Care.

13. DOMESTIC ABUSE

- 13.1 The school is aware that children and young people's development, as well as their social and emotional resilience, is affected by many factors including exposure to domestic abuse within the family situation and is a safeguarding issue.
- 13.2 Children and young people react to domestic abuse in similar ways to other types of abuse and trauma.
- 13.3. Information about Domestic Abuse and its effect upon children and young people will be incorporated into staff Safeguarding and Child Protection training and briefings and the school's Safeguarding and Child Protection's Policies and Procedures will be used to protect children and young people exposed to, and at risk from, domestic abuse.
- 13.4 Any child or young person thought to be at immediate risk will be reported without delay to the police service as a 999 emergency and the Manchester Children's Service Contact Centre will be contacted as soon as possible.

14. FORCED MARRIAGE

- 14.1 Forced Marriage became a criminal offence in June 2014. It is a form of child, adult and domestic abuse and, in line with statutory guidance, is treated as such by this school. The school is sensitive to differing family patterns and lifestyles and child-rearing patterns that vary across different racial, ethnic and cultural groups. Child abuse cannot be condoned for religious or cultural reasons.
- 14.2 Information about Forced Marriage will be incorporated into staff Safeguarding and Child Protection training and briefings and the school's Safeguarding and Child Protection Policies will be used to protect a victim or potential victim of forced marriage.
- 14.3 If a case of forced marriage is suspected, parents and carers will not be approached or involved about a referral to any other agencies.

15. FEMALE GENITAL MUTILATION

- 15.1 Female Genital Mutilation (FGM) is illegal in the United Kingdom and is a violation of human rights of girls and women. Information on FGM will be incorporated into staff Safeguarding and Child Protection training and briefings.
- 15.2 The Serious Crime Act 2015 strengthened further the legislation on FGM and now includes a new statutory duty placed on professionals (including teachers) to notify the police when they discover that FGM appears to have been carried out on a girl under 18.
- 15.3 Further statutory guidance has been issued under Section 5c (1) of the Female Genital Mutilation Act 2003 **"Multi Agency Statutory Guidance on Female Genital Mutilation – April 2016"**

16. PREVENTING RADICALISATION and EXTREMISM

- 16.1 Protecting children from the risk of radicalisation is seen as part of Our Lady's RC Primary School's wider safeguarding duties, It is acknowledged that it is similar in nature to protecting children from other forms of harm and abuse and the importance of early intervention by our school.. We follow the guidance set out in Keeping Children Safe in Education 2016
- 16.2 Our Lady's RC Primary School can produce evidence to show fulfilment of the Prevent duty in the 5 duty areas (Leadership and Management, Risk Assessment, Working in Partnership, Staff Training, IT Policies). We also support our children to be resilient against radicalisation.

- 16.3 We have named leads for Prevent on the schools SLT and Governing body. Prevent is part of the safeguarding role of our Designated Safeguarding Lead. We have conducted a risk assessment to ensure that we give 'due regard' to all areas of the duty. We do /do not have a specific policy on Prevent but have ensured that it is embedded into all other appropriate school policies. We have clear procedures in place for protecting children at risk of radicalisation. These procedures are set out in this safeguarding document and other existing policies where relevant.
- 16.4 We work in partnership with others including the Local Authority and MSCB to share concerns and improve practice in this area. We regularly review our IT policies in school to ensure that IT use across the school is safe. Children and young people are supported to know how to stay safe on line and when accessing social media both in and out of school.
- 16.5 Staff training and knowledge on Prevent is regularly reviewed and monitored. Staff in this school are aware that Radicalisation refers to the process by which a person comes to support terrorism and forms of extremism. Staff know that there is no single way of identifying an individual who is likely to be susceptible to an extremist ideology but they are alert to the signs and changes of behaviour which may be indicators. Staff are confident to challenge and support young people who may be vulnerable. Staff also know what to do if they have concerns that a young person is being radicalised.
- 16.6 School actively builds students resilience to radicalisation through the curriculum and a whole school ethos which promotes British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs.
- 16.7 Our Lady's RC Primary School seeks to have effective engagement with parents and families in order to work in partnership to protect our children and young people.

17. E-SAFETY

- 17.1 Our Lady's RC Primary School has an E-safety Policy which recognises that E-safety is a safeguarding issue not an ICT issue. The purpose of internet use in school is to help raise educational standards, promote pupil achievement, and support the professional work of staff as well as enhance the school's management information and business administration.
- 17.2 The internet is an essential element in 21st century life for education, business and social interaction and (insert name of school) has a duty to provide children and young people with quality access as part of their learning experience.
- 17.3 It is the duty of Our Lady's RC Primary School to ensure that every child and young person in its care is safe and this applies equally to the 'virtual' or digital world.
- 17.4. Our Lady's RC Primary School will ensure that appropriate filtering methods are in place to ensure that pupils are safe from all types of inappropriate and unacceptable materials, including terrorist and extremist material.

- 17.5 Our Lady's RC Primary School has an acceptable use policy (AUP). Where both staff and children have access, it will be necessary for us to have separate AUPs for staff and pupils. The AUP should cover the use of all technologies used.
- 17.6 The school follows the MSCB guidelines ' Safeguarding online guidelines for minimum standards'

18. CHILD PROTECTION CONFERENCES AND CORE GROUP MEETINGS

- 18.1 Members of staff are likely to be asked to attend a child protection conference or other relevant core group meetings about an individual pupil and will need to have as much relevant updated information about the child as possible. A child protection conference will be held if it is considered that the child/children are suffering or at risk of significant harm.
- 18.2 All reports for a child protection conference should be prepared in advance of the meeting and will include information about the child's physical, emotional, intellectual development and well being as well as relevant family related issues. This information will be shared with the parents/carers.

19 MANAGING ALLEGATIONS AND CONCERNS AGAINST STAFF AND VOLUNTEERS

- 19.1 The school follows the government guidance Keeping children safe in education – September 2016 when dealing with allegations made against staff and volunteers.
- 19.2 All allegations made against a member of staff and volunteers, including contractors or security staff working on site, will be dealt with quickly and fairly and in a way that provides effective protection for the child while at the same time providing support for the person against whom the allegation is made.

20. COMPLAINTS OR CONCERNS BY PUPILS, STAFF OR VOLUNTEERS

- 20.1 Any concern or expression of disquiet made by a child will be listened to seriously and acted upon as quickly as possible to safeguard his or her welfare.
- 20.2 We will make sure that the child or adult who has expressed the concern or made the complaint will be informed not only about the action to be taken but also where possible about the length of time required to resolve the complaint. We will endeavour to keep the child or adult informed about the progress of the complaint/expression of concern.

21 SERIOUS CASE REVIEWS

21.1 The Manchester Safeguarding Children Board will always undertake a serious case review when a child or young person dies (including death by suicide) and abuse or neglect is known or suspected to be a factor in their death. The purpose of the serious case review is to:

- Find out if there are any lessons to be learnt from the case about how local professionals and agencies work together to safeguard and promote the welfare of children and young people
- Identify what those lessons are, how they will be acted on and what is expected to change as a result of the serious case review.
- Improve inter-agency working to better safeguard and promote the welfare of children and young people

If required Our Lady's RC Primary School will provide an individual management report for a serious case review and will cooperate fully with implementing outcomes of the review including reviewing policy, practice and procedures as required.

22 PEER ON PEER ABUSE

22.1 Staff should recognise that children are capable of abusing their peers. Governing bodies should identify procedures to minimise the risk of peer on peer abuse and consider how allegations of peer on peer abuse will be investigated and dealt with. Schools and settings should have clear procedures on how victims of peer on peer abuse will be supported.

23 VISITORS

23.1 All visitors, including visiting speakers, are subject to the school's safeguarding protocols while on site and will be supervised at all times.

24 BOOKINGS

24.1 Our Lady's RC Primary School operates a responsible booking protocol and will carry out appropriate checks and will exercise due diligence to prevent an organisation or speaker from using the school's facilities to disseminate extremist views or radicalise pupils or staff.

The threshold that justifies compulsory intervention in family life and gives Local Authorities a duty to make enquiries to decide whether they should take action to safeguard or promote the welfare of a child who is suffering or likely to suffer significant harm.

Physical Abuse

Physical abuse may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces an illness in a child.

Emotional Abuse

Emotional abuse is the persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond the child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying, causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

Sexual Abuse

Sexual abuse involves forcing or enticing a child or young person to take part in sexual activities, including prostitution, whether or not the child is aware of what is happening. The activities may involve physical contact, including penetrative (e.g. rape, buggery or oral sex) or non-penetrative acts. The activities may include non-contact activities, such as involving children in looking at, or in the production of, sexual online images, watching sexual activities, or encouraging children to behave in sexually inappropriate ways.

Neglect

Neglect is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse for example.

Once a child is born, neglect may involve a parent or carer failing to:

- Provide adequate food and clothing, shelter (including exclusion from home or abandonment).

- Protect a child from physical and emotional harm or danger.
- Ensure adequate supervision (including the use of inadequate caretakers).
- Ensure access to appropriate medical care or treatment.
- It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.
